2019 Membership Vision

**TRIPLE “R”**

Recruit-Retain-Renew

Our success will be determined by the amount of effort we put forth. The theme I have chosen to energize us is: “Triple “R” – Recruit-Retain-Renew – Recruit; seek out eligible Veterans and ask them to join the American Legion – Retain; Give these new recruits a reason to stay. Keep them informed ask them to help and listen to their needs – Renew; when they have the reason and feel a part of our organization they will renew. Our Minnesota department alone is averaging about 3000 plus membership losses a year. What can we attribute this to; attrition, retention, lack of interest, no time for us, not wanted, uninformed…. and the list can go on and on. I see a lot of opportunity.

Our eligibility to join is the longest running time of eligibility in the history of our organization. That is twenty-eight years of Veterans who are eligible to join, and all we need to do is seek them out and ask them to join. Tell them our why. Why we belong to the American Legion and what the American Legion provides us.

How are we going to tell our story? We need to use all the resources available to get our word out. Utilize social media to its fullest extent. This is the fastest and best way to get our story out in the public eye. Facebook, Twitter, Instagram, email blasts are just a few that come to mind and are popular. The Veteran of today has so much information at their fingertips and can move from website to web-site faster than we can turn a page in a book. We need to understand this, embrace it and move forward with this technology regardless of our age. We need to build relationships and nurture these relationships. We need to make sure Guard-Reserve Units, College Veterans Councils, call on the American Legion before they call another Veteran’s organization or form a new Veterans Organization. And finally, we need thump our chests and be proud of what we have accomplished the past 100 years. Advertise with articles in newspapers, your post web-site, radio stations any avenue you can think of to tell our why. Show our pride as we are a Legionnaire!

We as an American Legion Family need get back to the basics, stay the course and follow the four pillars, Veteran’s Rehabilitation-Children and youth-Community Service-National Security, as this will carry us through these tougher times of membership. The education of non-members is paramount to get Post 9/11 Veterans, our sister Veterans and our Vietnam Veterans to join. Let’s face it today’s Veteran is the future face of our American Legion family. The American Legion Family needs to work in harmony and welcome these young Veteran families into our fold. This is a great time to be a member of the American Legion, we are 100 years old with an untapped source of Veterans who will take us through the next 100 years. We are today’s leaders showing the way for future leaders of our American Legion. 100 yrs strong. So let’s put forth the effort....
*Triple “R”*

*Recruit-Retain-Renew*....

**Recruit:** seek out eligible Veterans and ask them to join the American Legion, thank them for their service and ask them about their military career.

- Tell them your why. Why you belong to the American Legion.
- Sell the American Legion and touch on our Four-Pillars.
- Let them know you can make them a member today. Be ready to give them an application and collect their money.
- Don’t give them a reason to not join. When they say yes, move the process forward. You’re done selling....
- Sign them under your post and explain how they can transfer to another post if they so elect. The important part here is to get the recruit into the system. Provide them with your contact information in the event they may need assistance.
- Promptly send them their membership card and your welcome/thank you letter for belonging to the American Legion

**Retain:** Give these new recruits a reason to stay. Keep them informed ask them to help and listen to their needs.

- Capture their email so your post can keep them informed on what is happening at the post.
- Ask them for help with an activity. If they say no, that is fine. The day will arrive when they’ll say yes. But continue to ask.
- Give them responsibility and help them.
- Mentor, bring the person along at their pace. Don’t make them the Commander after their second meeting.
- Educate our Four-Pillars, our foundation to why we are here.
- Get their family involved. Today’s Veteran is very family oriented.

**Renew:** when they have the reason and feel a part of our organization they will renew.

- A friendly reminder their dues are due.
- Explain they can renew on line at my Legion.org
- Remind them what their dues provides them, the Legionnaire, Legion magazine and a list of discounts.
Workshops

Each of the Department Vice Commanders have been asked to set up a membership workshop for their respective areas. I would like to see this done before we go to fall conference to we can have a follow-up session.

Why the need for workshops?

- Each district has its own challenges.
- Develop a plan for each district to help their membership numbers go positive.
- Explore target areas of opportunity.
  - Guard-Reserve Units
  - College Campus's
  - Vo-Techs
  - Recruiting Stations
  - VA Facilities
  - Gym's
- Limit the size of the workshops, two districts, to stay focused on the tasks
- Posts are invited. They are where the rubber meets the road.
  - Open Houses
  - Veteran's Day Dinner, Banquet
  - Events that bring potential Veteran's thru the door.

The goal of each workshop is to have a plan in hand on how we are going to get our American Legion brand in front of as many Veteran's as we can and ask them to join us....

Membership Family Rallies

A new idea we are going to try. Each component of our American Legion family will have responsibility for a rally.

- Harvest Rally – 8 September SAL Rally - Legionville
- Pearl Harbor Rally – 8 December Legion Riders Rally – Post 43 Faribault
- Sweetheart Rally – 9 February Auxiliary Rally – Post 137 Royal
- Appreciation Rally, 9 March Legion's Rally, - Post 79 Montgomery

Purpose of the rallies is to educate and motivate. Each component will pick a topic and educate the rest of the family. This will give all of a better understanding on how this machine works and strengthen our family unit.

TOTAL POINTS

STANDING
District Vice Commander of the Year

Prior to the Appreciation membership rally, each District will be asked to nominate one of their District Vice Commanders for the District Vice Commander of the Year award for their District.

Each of the top 10 Vice Commanders will receive a certificate and a Blazer at the Appreciation rally. All other District Vice Commanders will also be recognized for their continued hard work and dedication.

District Commanders and Membership Directors should participate in the decision at the District level. They should consider not only how the Posts in the Vice Commander’s area are doing, but also the amount of extra effort and initiative that they have exhibited in the pursuit of membership for 2019.

Nomination forms will be sent to the District Commanders after the first of the year.

2018-2019 Membership Director’s Pen

“Renew, Recruit, Retain”

- 25 Pens will be allotted to District Commanders with 2,000-4,999 members
- 45 Pens will be allotted to District Commanders with 5,000-8,999 members
- 65 Pens will be allotted to District Commanders with 9,000+ members
- 25 Pens will be allotted to each Department Vice Commander. Pens should be used as incentives for the Post membership teams.

Important: A limited number of additional Pens may be available through Dept. Membership Director Mike Maxa. These should be used as incentives for the Post membership team members and Post workers who have helped with the Post’s membership program this year.

2018-2019 Commander’s Pin

“100 Years of Making a Difference”

Any Post reaching All Time High or Goal will receive 3 Commander’s Pins.
