# LEGIIONVILLE

## School Safety Patrol Camp

If your son or daughter has attended Legionville School Safety Patrol Camp within the last 3 years, they are eligible for our **Alumni Camper** program. We are offering this special program with new special activities to learn while still enjoying all your favorite Legionville fun. Those additional activities can include but are not limited to Compass Reading, Advanced Canoe Trip, Geo-Caching, Archery, Camp Fire procedures, etc.

**Don't miss this fun filled and educational experience.**

## Alumni Camper Program

These are campers who have participated in a session at Legionville within the last 3 years. Alumni campers do not need to be working towards being a patrol in the coming year. A special program has been designed for **ALUMNI CAMPERS** while still allowing them to enjoy all of their favorite Legionville activities. The cost for each **Alumni Camper** is **\$350.00** for the week. Reservations for each **ALUMNI CAMPER** should be made by their parent or guardian and all information will be sent directly to them. This summer, SESSION 3 has been reserved for ALUMNI CAMPERS only. (NOTE: A minimum of 13 Alumni campers is required for the session to be held) **ALUMNI CAMPERS** can attend any other session except Session 7, but they will participate in the same activities and classes as their last visit.

Contact us with any additional questions you might have.
