

At the membership committee for the Department of Minnesota last fall, changed the getting off the "Goose Egg" requirements. The change was to remove the one paid membership and replace this requirement with the Consolidated Post Report. With the SNAFU of the new mylegion roll out and the Posts having problems submitting their report via mylegion the Commander and Membership Director have removed the requirement for the CPR submission to be part of the 2022 membership "Goose Egg". To get off the "Goose Egg" for the 2022 membership year is 100% Post Officer reports submitted to Department by 28 July 2021 for each District. The Post Officer's report can be found on the Department's website under the membership tab. Thanks

Mike Maxa

Adjutant
The American Legion
Department of Minnesota
