

TO: Post Adjutant
FROM: Thomas Clabo, Community Service Chairman
DATE: March 2020
SUBJECT: Community Service Program Competition

Service to our Country and Community is what created The American Legion. Continuing to serve is what the Legion Family has always done to help our immediate communities improve our lives and get through bad times. Your membership interacts and helps the community in many ways (look over the form we have enclosed). *Please recognize the efforts of your Post, they deserve it!*

Filling out this Community Service Report and others like Children & Youth, Blood and a few others will make it much easier to get your Consolidated Report to Commander Dvorak so he can have a 100% report to National. Thank you!

The Simple Rules:

1. You can use every hour of your membership's volunteered time!
2. You will total up All Donations that your Post has made in each category. If you cannot find a fitting category, use the last one.
3. \$10.00 for Each Volunteer hour is then added to the actual donation total.
4. Example: (5 hrs of time and \$100.00 actual cash would give you a credit of \$150.00) in the right dollars column.
5. ALL reports have to be in the Department office by JUNE 1st to be accepted.
6. Every Post gets 1 hour and the \$10.00 credit for just filling out the report. Put it in the last category under community.

“Go for it! Every Post deserves to be RECOGNIZED!”
